To Whom It May Concern:

Marine Families is currently working with the Marines of 4th Assault Amphibian Battalion in hosting a Birthday Celebration Car Show on Saturday, April 22nd at the Marine base located at 5121 Gandy Boulevard Tampa FL 33611. A portion of the proceeds raised at this event will go directly to the Marines 2023 Birthday Ball fund.

We recognize that the reason we are able accomplish events like this with such great success is due to the continued support of patrons and organizations from local and surrounding communities. Contribution's from your business/organization go directly to our events budget so that we can continue to support these Marines, military/veterans and their families not only in our community but beyond.

Below we have listed items that will help make our event more profitable for our goal if we do not have to purchase from our funds. Will you please consider helping support this event? Every contribution will make a difference. Join us in providing for our Marines/military/veterans and their families who have given so much and ask so little. Help us show them that they are truly appreciated and a very important part of our mission.
