RE: Marine Families Birthday Celebration
Sponsorship Information

To Whom It May Concern:

This April Marine Families will celebrate our 19th birthday. We are happy to announce that as a part of this celebration we will be hosting a car show on April 22nd. We have partnered with the Marines from the 4th Amphibious Assault Battalion here in Tampa.

We will be raising funds through car registrations, food and merchandise sales, raffles and a 50/50. A portion of the proceeds of the event will be donated to the Marines for their upcoming 2023 USMC Birthday Ball in November. Over 800 Marines and guests will be in attendance so this is a huge event which involves much planning and a big budget. Hosting this car show and donating funds to their event is our way to help the Marines located right here in the Tampa community.

However, we think our efforts would go even farther with you as a corporate sponsor. In this role, your business would provide a specific donor amount and in turn we would promote your company as an official sponsor of the event. With you by our side at this upcoming event, we're sure to achieve this season's fundraising goal and serve the Marines as well.

If your company is interested in being an event sponsor, please reach out to us.

We can't wait to hear back!

Sincerely yours,

Cyd Deathe
